

State Medical Aid in Dying Organizations & Resources

The organizations and resources below provide state-specific information, education, support, advocacy, or official guidance concerning medical aid in dying. Where a dedicated state-based organization could not be identified, a state-specific government or national-organization resource is listed instead.

Jurisdiction	Organization or Resource	Website	Notes
California	End of Life Choices California	Visit website	California-based education, information, and support relating to end-of-life options, including medical aid in dying.
Colorado	End of Life Options Colorado	Visit website	Statewide nonprofit providing education, support, and resources concerning end-of-life choices.
Delaware	Delaware Division of Public Health — End of Life Options	Visit official state resource	No dedicated independent Delaware MAID support organization was identified in this review; this is the official state information resource.
District of Columbia	End of Life Options DC	Visit website	Nonprofit providing education, resources, and support related to the D.C. Death with Dignity law.
Hawai'i	Hawai'i End of Life Options	Visit website	Local organization helping patients and providers understand and navigate Hawai'i's Our Care, Our Choice Act.
Illinois	Illinois End-of-Life	Visit website	Statewide coalition focused on medical aid in dying in Illinois. The Illinois law is

	Options Coalition		scheduled to take effect September 12, 2026.
Maine	Maine Death with Dignity	Visit website	State nonprofit providing fact-based education, support, and information about Maine's Death with Dignity Act.
Montana	Compassion & Choices — Montana	Visit Montana resource	No dedicated independent Montana MAID support organization was identified in this review. Medical aid in dying in Montana is based on the Baxter v. Montana court decision rather than a detailed MAID statute.
New Jersey	New Jersey Death with Dignity	Visit website	Public charity providing services, education, resources, and support related to New Jersey's medical aid-in-dying law.
New Mexico	End of Life Options New Mexico	Visit website	Statewide nonprofit providing information and support for end-of-life options, including medical aid in dying.
New York	End of Life Choices New York	Visit website	State-specific nonprofit providing education, support, resources, and information about end-of-life care and medical aid in dying.
Oregon	End of Life Choices Oregon	Visit website	Oregon nonprofit providing information, guidance, and volunteer support concerning legal end-of-life options, including the Death with Dignity Act.
Vermont	Patient Choices Vermont	Visit website	Statewide nonprofit providing education, information, and access support relating to Vermont's Act 39.

Washington	End of Life Washington	Visit website	Statewide nonprofit providing education, support, and resources concerning Washington's Death with Dignity Act and other end-of-life options.
